Frequently Asked Questions

Q: How will I be paid?

A: Before consigning items, fill out the form with contact information and to whom we make out the check. You will receive your check within the period of a few weeks after your items are sold.

Q: Can I consign/donate more than several items?

A: You can pick up as many forms as you would like. We are very happy with whatever you are willing to give.

Q: What if my dress/accessory is not sold?

A: If your dress/accessory is not sold, you can either elect to donate this item to the inventory for future sales (just mark “donate if not sold” on your paperwork), or you may return to the school after the sale to pick it up. If you are sending someone else to retrieve your dress/accessory, please indicate who this person is in the previous form. We will contact you regarding unsold merchandise via phone or email; please make sure we have accurate contact information.

Q: How much will I profit if my items sell?

A: We keep 35% of the proceeds, and you receive the other 65%. All of our proceeds benefit the Prom fund.
