July 26, 2022

Dear Parents/Guardians of Freshman Students:

Congratulations on your child's completion of Middle School. We hope everyone is enjoying the summer break. While we do not want summer to pass too quickly, the start of a new school year is fast approaching. The first student day for the 2022-2023 school year will be Thursday, August 25, 2022.

Moving from Middle School to High School is an exciting change which brings many opportunities. Students have met with Middle School counselors to discuss and then select, along with your help, courses to participate in during their freshman year. The next step in the transition will be a parent/student orientation scheduled for **Wednesday, August 10, 2022, at 6:30 pm in the High School Auditorium**. Please enter the building through Door #6 (Auditorium Entrance) and report directly to the Auditorium with students and their parents sitting together.

The orientation program will present a variety of information, which will be useful to parents and students in making a smooth transition. Your child will also experience a detailed tour of the High School guided by members of the Student Council. Once your child leaves for the tour, there will be a Drug & Alcohol Awareness Program presented to parents/guardians by the North Huntingdon Township Police Department. The presentation will be held in the Auditorium beginning immediately after the parent/student orientation. In lieu of walking with your child on the tour, this enlightening presentation will be directed at informing parents of the impact of the drug situation as it affects our children and our community.

Beginning on Tuesday, August 9, 2022, all guardians are expected to log into Skyward Family Access and complete Information Update. This includes reviewing and updating your student's information, updating medical information, and digitally verifying that you and your child have read and understand district policies and procedures. After you complete this Update, your child will have access to their 2022-2023 academic schedule. At the conclusion of the tour, Freshmen Students who have completed Skyward Information Update and had a Norwin School District issued iPad in 2021-2022 will receive an iPad. New students will receive additional details about how and when to retrieve their iPad at a later date.

Finally, we invite you to come to the High School for a self-guided tour on August 11, August 12, August 15, August 16 or August 17, from 7:00 am until 3:00 pm, if you desire.

Enjoy the rest of your summer. We hope to see you on **Wednesday, August 10 at 6:30 pm in the High School Auditorium for New Student Orientation**.

Sincerely,

Dr. Michael D. Choby
Principal
